MEMORANDUM FOR: Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Breakfast Meeting with Senators Boschwitz, Grassley, and
Kasten to Discuss Worldwide Testimony

1. Attached for your use is an updated version of your testimony. Because your breakfast meeting should be somewhat informal, you may wish to use it merely as a means of triggering your memory of topics discussed in formal testimonies.

2. Per your request, Charlie Waterman, Larry Gershwin, and Constantine Menges have been invited to join you for substantive backup. In addition, I will have for your use the book of pictures on Nicaragua referred to on page 10 of your statement text.

3. Biographies of these three Senators are included at Tab B of your book.
